

elite. (ā lēt')
"The best or superior
membership of a
society or group." —Websters

A perfect definition of the membership of the Society of Industrial and Office REALTORS.[®] Of the tens of thousands of individuals working in the brokerage field, only 1,800 have achieved the SIOR designation (*Specialist, Industrial and Office Real Estate*). These professionals have an average of twenty years in the industry. They offer representation in 800 offices located in 450 cities worldwide.

The stringent requirements for membership guarantee a standard of excellence of performance unmatched in the industry.

- Five years minimum experience in industrial or office brokerage
- A high level of sales volume and lease transactions
- Successful completion of SIOR courses
- Adherence to strict ethical standards
